SENATE BILL NO. 1090

RECEIVED BY: *J*

---

INTRODUCED BY SENATOR JOSEPH VICTOR G. EJERCITO

---

**AN ACT**  
**DECLARING AS UNLAWFUL ANY GOVERNMENT PROJECTS TO BE NAMED**  
**OR IDENTIFIED AFTER GOVERNMENT OFFICIALS AND OTHER PERSONS**  
**WHOSE NAME OR IDENTITY MAY IN ANY MANNER BE ASSOCIATED WITH**  
**SAID OFFICIALS**

**EXPLANATORY NOTE**

Projects and activities funded by the government are indeed derived from the tax levied from the Filipino people. Thus, it is only appropriate, legal and ethical to say that such government projects are owned and funded by the Filipino people.

In spite of this fact, government officials both elected and appointed have the practice and habit to label and acknowledge the procurement of items, construction of physical infrastructures and the various activities with their names and/or identities as if they personally funded these projects. Worse, they seem to create the impression to the public that they own whatever projects they have initiated - from waiting sheds, ambulances to roads, school buildings and bridges.

Furthermore, the practice of labelling and acknowledging government projects with their names or identities allows the incumbent government officials to prematurely campaign for re-election or election for higher office.

It is for these reasons that the prompt approval of this measure is earnestly sought.
